

# DON'T BE **TRICKED** BY CONGRESS. LIFO IS NOT A TREAT.

Unlike her Halloween candy, LIFO is not a free treat handed out by Congress. LIFO is an accounting method used by hundreds of thousands of American businesses to accurately value their inventories. Like her Halloween candy, LIFO users come in all shapes and sizes, with most of them being the small, local businesses that generate good jobs and form the underpinnings of our economy. Don't be tricked by those who say LIFO is a loophole that should be repealed.
